

Directions to access the new Safety Network.

Step 1 Goto Tarrant County website: <http://www.tcaccess.org>

Step 2 Click on ClientTrack on the far right side of the page. Right next to Contact. (See Above Picture)

Step 3 You will be directed to the page below.
Type in your Customer ID = Tarrant
Type in your User Name = This is still the same one you have been using.
Type in your Password = Default1! (This is everyone's beginning password)
The first letter is capitalized and the last character is an explanation point.
(Shift key + 1 = !)
